QUIA.com

* www.quia.com/web
* Username: christopherhanson151 or your firstlast151
* Password: science and last 2 of your student ID

Classroom Behavior

* Respect above all.
* Listen when others are talking.
* Be Proactive and help others when they need it.
* Complete your homework on time – Responsibility.
* Be ready to answer questions.
* No cell phones, iPods, iPads allowed.
* When given a task or assignment in class - focus on completing it.

Advisory Class

* Come to class with all the assignments/projects you have to work on.
* All assignments will be written on my Smartboard. Write them down in your agenda every Advisory.
* Focus only on assignments.
* You will need to show me your assignments and work when completed.
* If you are done with all your assignments (rare occasion) you may read quietly, etc.
* Do not interrupt anyone while they are working.
* You may use a computer to work on your assignments if you need to. Do not get caught using a computer in an inappropriate manner.
* Class discussion/video opener.
* If you need to see another teacher – use your Advisory Pass.
